LOOKING HAPPY and contented after their basket suppers, local active Republicans pause while waiting for big rally to begin at city park last Thursday night. Grouped around Edgar W. Hiestand (center) GOP-endorsed candidate for Congress in the 21st District, are (left to right) Mrs. Edith Woodruff, Mac Cason, Mrs. Cason, Jack Hardy, one of the featured speakers of the evening, Tom Schwartz, Mrs. Jean Black, J. Caden Jenkins, Harold Roberts, Mrs. Jenkins, Neil J. Clarke, and Harry Snow, peeping around Hugh Colvin. S.M. News

Around the Square

The P-TA revived an old custom today to mark the opening of City School. As a "welcome-back" gesture, members of the group placed a big red apple on the desk of each teacher. "We're doing a little apple-polishing of our own," explained Mrs. Louise Willis, P-TA president.

We'll say the same thing now that we did when the voter rolls were about to close for the primary election. If you don't take the trouble to make sure you're an eligible, registered voter by midnight tonight, then don't burden your friends with gripes about the government for the next four years. If you won't bother to register and vote, no one should bother to listen to you.

Dial Custer 5-6642 if you've noticed a strange hump in your backyard recently—a hump that seems to waddle away when you approach it. In all probability, the foot-long, oblong mass is Rigor-Hortis, the tortoise, owned by Herk Hewitt of 630 Orange drive. The desert reptile has been AWOL since Monday. As an aid in identification, Herk adds that Rigor (he knows him so well he doesn't use the last name) has traces of white, green and red paint on his shell.

Harold Stein may have made some sort of cinematic history this week with his theater marquee advertising. At least it seemed to be a new twist to us. He had the name of one of his features, "King Kong," lettered vertically on the signboard, while the other, "Brave Warrior," ran along in the conventional manner, horizontally. (The gag in this item was in the words "new twist." Subtle, eh?)

MEMO TO POLICE DEPARTMENT: How about "stalking out" in the Canyon one of these fine afternoons if you want to have some fun? Many residents are concerned about the race.

Education Group Gets New Status

The Coordinating Council voted semi-official status Tuesday night to its educational research committee.

Members of the council approved a motion that the committee should continue as a "study group" for further discussions toward the eventual formation of a professional-lay advisory committee to the City School Board.

Mrs. Foster Buckner, who has spearheaded efforts to form such an advisory committee, said it would serve as a liaison group between the School Board and public and could include sub-committees on public relations, finance, safety, and building and site.

The present research committee has no official status so far as the school is concerned and will report and be responsible to the Coordinating Council.

REV. DON ROOD EXPECTED HOME FROM HOSPITAL

The Rev. Don Rood, pastor of Bethany Church, is expected home from the Sister Kenny Hospital Saturday.

The popular young preacher was able to be up and dressed for dinner for the first time Monday. He was stricken several weeks ago and entered the hospital around the first of August.

PARENTS SIGH IN RELIEF; JOHNNY'S BACK AT SCHOOL

Sierra Madre parents breathed audible sighs of relief today as Johnny and Susie re-entered the atmosphere of blackboards and books. It's the first day of the semester at City School.

A kindergarten registration "crowding 100" was expected to swell the overall enrollment to a record 725 pupils.

By Monday the original estimate of 85 kindergarten pupils had been passed.

A spokesman at the elementary school office disclosed that "quite a few" new boys and girls are entering the local school from the tract on Grandview, east of Santa Anita avenue.

Opening-day enrollment last year was approximately 680, it was pointed out, and high point of the school year 1951-52 was a registration of 710. (See additional back-to-school stories on page 3.)

New Pastor's Installation Viewed by 300

More than 300 people witnessed the installation service Sunday afternoon, Sept. 7, of the Rev. Armin Hesse, new pastor of the Faith Lutheran Church.

Nineteen other ministers—some coming from as far away as Barstow and Reseda—were seated on the platform during the service.

The Rev. G. C. Schramm, pastor of the Emmaus First Lutheran Church of Alhambra, presided over the ceremony, and music was provided by the Ladies Choir of the church.

The installation sermon was presented by the Rev. George Theiss of the Pasadena First Lutheran Church who spoke on the subject, "Welcoming a Pastor After God's Own Heart."

Following the rites, supper was served by women of the Mission Aid group.

The Rev. Mr. Hesse will preach his first sermon at the local church next Sunday, Sept. 14, 10:30 a.m. at the Woman's Clubhouse, 270 W. Sierra Madre boulevard. His topic will be "Christ Must Increase."

CONGREGATIONAL CHURCH SCHOOL AWAITS OUTING

The Sierra Madre Congregational Church School will wind up its summer quarter Sunday, Sept. 14, with an outdoor worship service and breakfast at Sierra Madre Villa Park, starting at 8 a.m.

Mrs. Edward Verreux, church school superintendent, announced that following the worship service parents will prepare breakfast while Boy Scouts of the church take the youngsters on a hike and conduct supervised games.

Family units will bring their own food, but coffee will be provided by the Adult Class.

RECEIPTS LISTED

The city of Sierra Madre's detailed statement of receipts and expenditures for the fiscal year ending June 30, 1952 is published on page 4 of this week's NEWS.

Jenkins Heads Republican Campaign

J. Caden Jenkins will head the campaign committee for the Eisenhower-Nixon slate in Sierra Madre. It has been announced by Bernard C. Brennan, Southern California campaign chairman.

At the Republican rally and picnic at the park last Thursday, Mr. Jenkins suggested that instead of a committee of a few members being formed, he would like to see the entire audience of approximately 260 persons serve as the official committee of Sierra Madre.

His statement was greeted by a wave of applause that apparently melted the crowd thought it was a good idea.

Mr. Jenkins read a letter from General Eisenhower's personal aide, which transmitted the candidate's best wishes to local residents.

A telegram from Sen. Richard Nixon also was read by Mr. Jenkins, extending his greetings to Eek Hiestand, the GOP candidate for Congress in the 21st District.

Mr. Jenkins said that anyone desiring to help in the campaign, or needing supplies, should report to the Republican Headquarters in the Sierra Madre Hotel, or contact Mrs. Lucille Eaton, president of the Sierra Madre Republicans; Harry Snow, president of the local Young Republicans; Tom Schwartz, Sierra Madre member of the Republican County Central Committee; or Mrs. Grace Vane, who has been a leader in the Eisenhower Volunteers of Sierra Madre.

Frank Lanterman, state assemblyman from the 48th District, emphasized the importance of just one vote in an election and then introduced Edgar W. Hiestand, candidate for US Congress in the 21st Congressional District.

Mr. Hiestand warned the Sierra Madreans that he was facing a "tough fight" in his campaign for election. He pointed out that the Republicans were up against "professional poli-

Private Rites Today for Pool Victim

Private services will be held in Alhambra at 12:30 today for Janet D. Fraizer, 155 Olivera Lane, who drowned Monday while swimming in her home pool.

Mrs. Fraizer was pronounced dead at approximately 7:30 p.m., after resuscitation efforts had been continued for nearly an hour. City Councilman Charles H. James and Fireman Jim Tyler traded off in shifts at artificial respiration during the futile fight to arouse the 50-year-old woman.

Throughout most of this time, Capt. Charles Brown of the volunteer fire department was operating the inhalator, while Dr. Thomas Wynne gave injections of adrenalin.

James C. Fraizer, husband of Mrs. Fraizer, arrived home from work at 8:25 p.m. and was the first to discover the body floating in the pool. He told Officer Frank Buchanan that he happened to look toward the plunge and noticed a towel lying on the edge.

"Something told me of the danger, and I went over to the pool," Mr. Fraizer was quoted as saying.

He quickly pulled his wife out of the water and attempted to revive her, at the same time calling to his neighbor for help.

Police were unable to determine how long Mrs. Fraizer had been in the water. It was reported that she could swim, but ordinarily never ventured toward the deep end. A coroner's autopsy surgeon at Grant Chapel Tuesday said the woman died of drowning.

Interment today will be at Forest Lawn Memorial services will be planned for later. In lieu of flowers, friends are asked to make donations to the Episcopal Home for the Aged, 1428 S. Marengo, Alhambra.

Mrs. Fraizer, a native of Salt Lake City, Utah, was a Californian during most of her life and had resided in Sierra Madre for a year and a half. She was a member of the Church of Our Saviour.

Besides her husband, she leaves two brothers, John A. Dewar of Sierra Madre, and Robert M. Dewar of Temple City; and her mother, Mrs. Elena Dewar, also from the Olivera Lane address.

Stevenson Headquarters To Open

Beginning next Monday afternoon, Stevenson-Sparkman headquarters will be open every afternoon except Saturdays in Alfred Dewey's studio, 28 Windsor Lane.

As Mr. Dewey has an art class there every Saturday afternoon, it will not be convenient to have the office open that day. Persons wishing Stevenson-Sparkman windshield stickers, buttons and information may secure them there.

Mrs. Margaret Ascher is painting a sign to decorate the front of the studio. Gene Lunsford has lent a desk and Mrs. A. A. Steiner and Mrs. Dottie Underwood have offered typewriters.

"If the Stevenson forces make a good showing in Sierra Madre," says Lee Shippey, chairman of the Stevenson-Sparkman Club, "it looks as if it will be mainly due to the ladies. So far the men have made about as much noise as the cheering section of a deaf-mute institute."

"All we ask is \$1 contribution to pay the expenses of the headquarters—telephone, postage and the like—and volunteers who will help in the headquarters two hours a day one day a week. If persons wishing to help will address Stevenson Headquarters, 28 Windsor Lane, we will be sure to have their names, addresses and phone numbers correctly."

WARM WEATHER FAILS TO DULL 'DOLLAR DAYS'

Hot weather failed to dull the enthusiasm of shoppers last week, and Sierra Madre's back-to-school Dollar Days were generally acclaimed as a highly-successful merchandising effort.

Several stores reported that their "specials," bargain sale items, were gobbled up quickly by values-alert housewives and were completely sold out by noon Thursday, the first day of the three-day event.

Attendance at participating stores Friday night, when business houses remained open until 9 p.m., was reported "good."

Mysterious Blast Jars Neighborhood; Police Puzzled

Police were unable to trace down a mysterious blast that shook a large area of Sierra Madre early Sunday morning and brought a flood of queries to the police station.

The explosion, which some residents said was preceded by a shrill whistle or shriek, was reported simultaneously at 12:29 a.m. by householders at the following addresses:

470 N. Sunnyside, 270 E. Highland, 209 W. Highland, 367 N. Lima, 451 W. Grandview, and a house at Lima and Carter.

One caller, Mrs. Edith McDonald, 331 Grove, contended that the explosion was caused by a plane which she estimated was flying "20 feet above the ground."

Officers were at a loss to explain the blast but offered the theory that it may have been a joker's bomb placed in someone's car and detonated by the starter.

NURSERY SCHOOL TO FORM 'JR. KINDERGARTEN' GROUP

A Junior Kindergarten for youngsters who "just missed" being old enough for regular kindergarten will be launched by the Sierra Madre Community Nursery School Association later this month.

The new group, which will meet for 12 Saturdays beginning Sept. 20, is intended to provide the transition for youngsters between the 4-year-old program of the Nursery School and kindergarten.

It comes as a result of the 1951 state legislation that changed the entrance age minimum for kindergarten pupils from 4 years, 6 months, to 4 years, 9 months.

This switch brought into existence a sizable crop of "in-betweeners"—boys and girls too young for kindergarten, but too old for the present Nursery School program.

The local Nursery School now has three groups (for 2-, 3-, and 4-year-olds), and the Junior Kindergarten will be a fourth group, for 5-year-olds.

Marjorie Green, Nursery School director, pointed out that the association has unsuccessfully attempted to obtain use of one or two buildings in town and now has applied for use of the Youth Hut to house this new group.

"But until we can get housing, the junior kindergartners will meet at the Nursery School on Saturdays, when other groups are not in session," she explained.

Mrs. Green urged parents interested in enrolling their children in the group to call the Nursery School "at once." She has scheduled a conference with mothers for 2:30 p.m. on Thursday, Sept. 18.

HEAVY MORTARMEN AGAIN DRILL ON MONDAY NIGHTS

Sierra Madre's Heavy Mortar Company, 223rd Regiment, of the famed 40th Infantry Division has been reactivated and is now meeting again on Monday evenings, 8 to 10 p.m., in the City Hall basement.

Although individual members of the "Sunburst Division" have been home for several months, the re-organization action last week marked the first "official homecoming" of the company since its federal service in Japan and Korea.

First Lt. Robert F. Barr, new commanding officer of the unit, announces that enlistments are now open to men between the ages of 17 and 35.

He said it is now possible, through an arrangement with the Selective Service office in Pasadena, for youths 17 to 18½ to join the National Guard company and "get their military training while still living at home."

Lieutenant Barr urged Sierra Madreans to contact him on regular drill nights of the outfit. He pointed out that persons deferred from the draft will have to attend a stipulated number of drills a month and will be required to attend the National Guard camp next summer.

The Heavy Mortar Company is being built around many of the former non-commissioned officers, including First Sgt. Tom Cox and Cpl. Jim Vernon. Capt. Sanford M. Ullman, former commanding officer of the Sierra Madre company, is still stationed in Japan as a public information officer.

CITY COUNCIL SETS MEETING FOR TONIGHT

Because of the legal holiday Tuesday, Sierra Madre's City Council will meet instead this evening, Sept. 11, 8 o'clock at the City Hall.

MRS. SAURENMAN
... new president

Association Elects Mrs. L. Saurenman

Mrs. Phil Saurenman has been elected president of the Sierra Madre Community Nursery School Association, to complete the unexpired term of Mrs. Edith Dane.

Mrs. Dane resigned recently to accept a teaching job with the Nursery School. She fills the vacancy left by the resignation of Mrs. Winifred Stone, teacher of the 2-year-old group.

The election of Mrs. Saurenman came at a meeting of the association's Board of Trustees last week. Mrs. Saurenman and her husband have been active workers in the Nursery School since its early days, and she

BICYCLIST 9 HIT BY AUTO

Robert E. Schahn, 222 W. Highland, suffered a fractured collarbone late Thursday afternoon when he was knocked down by a car while bicycling on W. Sierra Madre boulevard.

The 9½-year-old youngster was hit by an auto driven by Fayette Hall Lamb, 40, of 1920 Wardell street, Duarte, who told police the boy suddenly swerved in front of him as he was traveling east on the boulevard.

Officers quoted Schahn as saying that he decided to cross the street and ride along the sidewalk to Lima. They said he admitted that he did not signal for a turn.

No citations were issued.

TONIGHT IS LAST CHANCE TO REGISTER FOR VOTING

Many local deputy voter registrars will work late into the evening in an all-out, last-minute effort to enroll Sierra Madre voters.

The deadline for registration of voters for the Nov. 4 general election is midnight tonight.

"You can not vote if you are not registered," Felix Gibian said today in a final appeal to residents. "Do not settle down in your easy chair, or slip into your slippers, if you have not registered."

Mr. Gibian has been spearheading the get-out-the-vote and registration campaign of the Sierra Madre Kiwanis Club.

Here is a list of local deputy registrars, many of whom will be on duty throughout the closing hours of the registration period. They live at scattered points in Sierra Madre and at least one is within easy walking distance of every neighborhood. The deputies:

City Hall, 55 W. Sierra Madre Blvd.: Mrs. Ruth H. Custer, 68 W. Mira Monte; Francis K. Bradley, 287 N. Baldwin; Mrs. Wanda C. Stevens, 252 Mariposa; Frederick O. Horne, 251 Rancho Rd.; Mrs. Josephine E. Marr, 204 E. Sierra Madre Blvd.; Mrs. Hazel L. Woodward, 99 Suffolk; Mrs. Ann E. Burke, 55 W. Sierra Madre; Miss Dolores Ann Thill, 59 E. Grandview; Mrs. Kathryn S. Snow, 310 E. Highland; Mrs. Patricia E. Lubkay, 329 W. Highland; Mrs. Marjorie V. Rizzo, 161 N. Hermosa; Mrs. Rosa W. Cason, 462 Manzanita; Mrs. N. Eliese Richman, 659 W. Alegria; Mrs. Dorothy E. Murphy, 321 Acacia; and Mrs. L. Marie Warfel, 519 N. Sunnyside.

RALLY ATTENDED BY 260

GOP 'Kicks Off' Campaign

The Republican campaign in Sierra Madre got off to an enthusiastic start Thursday evening when approximately 260 citizens assembled at the city park for a big picnic and rally.

Family units gathered at 6:30 p.m. to eat basket suppers and enjoy informal fellowship before the partisan rally started at 8 o'clock.

Emceeding the event was Thomas M. Schwartz, chairman of the 48th Assembly District of the County Republican Central Committee, who introduced two

of the guest speakers, Mr. and Mrs. Jack W. Hardy.

Mr. Hardy, a prominent Los Angeles attorney, told his audience how he had been happily engaged in his legal profession until the thought came to him one day that now was the time to stop merely criticizing the governmental picture as it is and to actually get out and do something about it.

Mrs. Hardy made an appeal for women to take an active part in the campaign and to talk to as many people as they

MEETING YOUR NEIGHBORS IN

Hastings Ranch

KAY GATES, Custer 5-2193

Lots of vacation news this week. Mr. and Mrs. Bruce Wallace, with Dick and Carol, back on Greenhill Road from a month of swimming, fishing and evening campfires on the beach at Crystal Cove, followed with a week at Oakglen visiting relatives on a ranch, Dick enjoying rides on the tractors and country life. The

Robert Smallmans of Shadow Grove Road on camping trips with Kirk and Linda—one week at Shaeffer Lake and another in Mexico on a ranch north of Ensenada, and joining Judy and Joan at Balboa for week-ends. The Henry Curwens with Sally and Bobby, home on Landfair Road from three weeks in Carmel—beach fun, visiting relatives, and the climax when Mr. Curwen sailed in the yacht races with the Pebble Beach Yacht Club there. (Mr. Curwen used to be a most enthusiastic yachtsman, but had given up the sport in recent years. The Elmer Browns back on Shadow Grove Road from two weeks at Newport Island and a week of camping at Crystal Lake. Dr. and Mrs. Richard Kootz and daughters, Renee, Rachelle and Kristine, in their home on Fairmeade Road following a month at Belmont Shore. And Mr. and Mrs. Frank DeLoe of Cliff Drive just back from a visit with their daughter in Berkeley.

On Hampton Road, among those returning home are the Ray Lindmans, with Janet and June, from five weeks at Newport Beach; the Jack Murphys, Gary, Jacklyn and Mrs. Elizabeth Murphy, from a trip through the Pacific Northwest and into Canada; and the William Holmes with Holmes and Helen E. spent seven weeks at Del Mar. (Mr. Holmes spent only a few hours here before going on to San Francisco for his next meet at Bay Meadows). Incidentally, while in Del Mar, the Holmes enjoyed visits from many of their friends here, among them the Thomas Hoggans, their neighbors on Hampton Road, who stopped in to celebrate their wedding anniversary at the Del Mar Hotel where they had lunched on their honeymoon; and Mr. and Mrs. Robert Walker, a prominent Sierra Madre couple, who together with several other Sierra Madreans make the trip to Del Mar every year to enjoy the races and a get-together with the Holmes.

Finally, Canfield Road has its returning vacationers—the Peter Lubisch family who with daughters Ann and Gwenn have just returned from a

month's trip to Florida where they visited Mrs. Lubisch's mother in Tampa and had fun on the gulf beaches; Mr. and Mrs. Robert B. Perry Jr. who took Sandra Knesby and Mr. Gus Morton on a fishing trip into the mountains behind Truckee and tried their luck with their new fishing gear—spinning rods and reels—and we hear it really worked—reel and daily catches; Mrs. Daniel Taylor and sons, Bill, Pat and Bobby, home to stay after spending the summer months at their beach cottage at Newport where Mr. Taylor visited them weekends; and the John Nuskajans with Sharon, Gary and Johnny, back home from a few days at Big Bear. We are sorry to hear that their nice outing had to end with a sudden mishap when Gary fell and broke his arm. Fortunately, they found a doctor at a nearby fire station who administered first aid, then they made a rush trip back to Pasadena for further medical treatment. It had to be his right arm, too, with school opening next week! Best of luck, Gary, and do take it easy.

Among our visitors in the ranch are: Mrs. R. W. Ward, from Yuma, Arizona, who is visiting her sister, Mrs. Frank DeLoe, on Cliff Drive—a big family barbecue, Sunday night, in her honor—and Mrs. Charles H. Veale, from Long Beach, who is spending a few weeks with her son and his family—the John Veales on Newhaven Road.

News in general—We understand Mrs. Alfred Knesby of Canfield Road finished with honors in the Summer Woman's Foursome at the Pasadena Bowling Center—game score of 226. Congratulations, Mrs. Knesby.

Also, seems several of our very young ladies of the ranch are attempting to compete with our local playhouse. Their first production was at the Robert Smallman's home on Shadow Grove Road, Tuesday evening, and included a cast of Charlene and Carol Percy, Marcyn and Dorinda Brown, Patty Cress, Louise Lauder and Linda Smallman.

Boxoffice receipts were very good and the presentation by the group, ranging from 7 to 11 years of age, was said to be most successful. (Press passes apparently were not mailed out so your correspondent's coverage is only hearsay.)

IN LOCAL HOSPITAL

Mr. John McAndrew of 311 N. Auburn is confined in the Sierra Madre Hospital.

Dr. Martin Leases Hotel Dining Room

Dr. Ralph J. Martin, local chiropractor who has been on a part-time basis in Sierra Madre for the past year, announced today that he has closed his Los Angeles office and will now devote his full time to his local office.

He also stated that he has leased the dining room of the Sierra Madre Hotel and will remodel it for office use following the political campaign. The room currently is being used as Republican headquarters in town.

Far larger bills for us...but
your electric rates haven't showed it!

Just ten years ago Edison's total operating expenses for one year were approximately eleven million dollars. Last year our fuel bill alone was more than that, and total operating expenses were more than three times as much as in 1942. Your electric rates haven't tripled though—in fact your rates for electric service are lower than ever before. If you have been paying more for electricity it's only because you use more—not because the price has been higher.

"Edison electricity is your best buy—you can depend on it!"

ONLY TENTH GRADERS GO TO MARSHALL THIS YEAR

Only tenth-grade students from Sierra Madre will attend John Marshall Junior High School this year, according to J. C. Spahr, assistant director for buildings and grounds of the Pasadena City Schools.

Local seventh-, eighth-, and ninth-graders will go to Woodrow Wilson Junior High. The fall term at both schools starts Monday, Sept. 15, at 9 a.m.

Mr. Spahr, who is in charge of bus transportation, said the time schedule and number of buses still is indefinite and subject to change, pending the start of operation next week.

He announced, however, that at least six bus trips will be made in the mornings and probably seven or eight in the afternoons, beginning at 3:40. He said buses will travel

along Orange Grove, Sierra Madre boulevard, Grandview and Hastings Ranch Drive at the following times in the mornings: 7:55, 8:15, 8:20, 8:25 and 8:35.

Mr. Spahr emphasized that the route and times are "tentative" until "we see how heavy the transportation load is."

The buses will go first to Wilson Junior High, then swing back to the Marshall campus, he explained.

ASCENSION DAY SCHOOL SEES ENROLLMENT OF 120

Ascension Parish Day School pupils will return to their classrooms next week, Sister Noel, C.S.M., principal, reminded Sierra Madreans today.

Half-day sessions are planned for the first two days of the school year, with students of the first through eighth grades reporting on Monday, Sept. 15, and kindergarten pupils reporting on Tuesday, the 16th. Sister Noel announced one addition to the school teaching staff: Mrs. Louise Ross, who will instruct fifth and sixth grades.

An enrollment of approximately 120 boys and girls is anticipated, she pointed out.

HINSHAW COMES OUT FOR EDGAR W. HIESTAND

Congressman Carl Hinshaw announced this week that he has volunteered his services to the Hiestand campaign.

"Because of the diversity of interests in the 21st Congressional District require a businessman with business experience I shall actively campaign on behalf of Edgar W. Hiestand for the newly-created 21st District Congressional seat."

Mr. Hinshaw, who was re-elected to the 20th District seat in the primary election, represented most of the territory now encompassed in the new 21st District for 14 years.

"My experience in representing this great district for many years," he said, "has shown me that its many interests require a Congressman who has the proper background to insure proper representation."

COORDINATING COUNCIL SUPPORTS X-RAY CAMPAIGN

Today and tomorrow are the last days for Sierra Madreans to get free chest x-rays during the current visit of the Los Angeles County Health Department's mobile x-ray unit in Monrovia.

Mrs. Betty Conzelman, presi-

dent of the Sierra Madre Coordinating Council, has pledged the support of women's groups here, and their common goal is a chest x-ray for every individual over 15 years of age. Minors must have written consent from their parents.

The machine has been sta-

tioned at Library Park, on the corner of S. Myrtle and West Lime, Monrovia, since Monday.

The hours today and Friday are from 1 to 7 p.m. Health Department officials pointed out that the unit was placed in Monrovia for the convenience of residents in the valley area.

REGISTRATION CONTINUES TODAY, TOMORROW AT PCC

Registration of new and regular students is continuing today and tomorrow at Pasadena City College.

Lower division youths are

urged to complete their enrollment today, according to a spokesman of the registrar's office.

The office will be open all day today, from 8 a.m. to 8 p.m. Tomorrow it will open again at 8 a.m., but close at 4:30.

Classes at PCC start Monday, Sept. 15.

Catherine Remington Is Bride Of Michael Crepin Suman

The marriage of Miss Catherine Remington, daughter of Mr. and Mrs. Arthur J. Remington of 65 E. Sierra Madre boulevard, to Michael Crepin Suman, son of Mr. and Mrs. A. L. Suman of 332 Sturtevant Drive, was solemnized quietly on Monday, Sept. 1, in the chapel of All Saints Episcopal Church in Pasadena.

Members of the families and intimate friends gathered in the candle-lit chapel to hear the double-ring marriage service read by the Rev. Joseph A. Erickson Jr.

The bride was given in marriage by her god-father in the absence of her father, who is in Japan. She chose for the occasion a gown of white embroidered taffeta, with which she wore pink accessories, and carried white orchids and pale pink cymbidiums.

The bride's sister, Mrs. John Pearman, was gowned in sapphire taffeta, with which she wore pink accessories and carried pink flowers.

Eric Thompson of Sierra Madre was best man, and guests were ushered by John Pearman and William Remington.

Following the ceremony, a reception was held at the home of the bride's mother. Currently touring Southern California on

their wedding trip, Mr. and Mrs. Suman will shortly make their home in San Jose, where the bridegroom is pursuing his studies at the State College.

Anne Carlson Marks Her First Birthday With Fun, Games

Funeral for E. Blomgren Set Today

Edward Blomgren, a resident of Monrovia but prominent in Sierra Madre as an active member of Bethany Church, died early Monday morning, Sept. 8.

Funeral services will be conducted at Bethany Church at 2 p.m. Thursday, with Lenox Palin officiating, and Mrs. Don Rood as soloist. Interment will be at Live Oak Cemetery, Monrovia.

ticians' with many years of power behind them. Describing the wide geo-

graphical area included in the 21st District, Mr. Hiestand remarked that he couldn't possibly cover the area completely by himself. He stressed the importance of every Republican vote in Sierra Madre to offset the anticipated heavy Democratic vote in Burbank.

Master of Ceremonies Schwartz read a letter from Robert Taft in which the Ohio senator pledged that he was giving full support to Candidate Eisenhower.

The Republican Glee Club, led by Mrs. Stanley Fish and accompanied by Don Parker, sang four spirited campaign songs—two of them written and arranged by Sierra Madreans: "The Republican Chant—Time for a Change," by Mrs. W. Murray Hawkins Jr., and "It's a Grand New Party," by Mary Toms Ward.

has been a member of the board for several years.

Elected vice-president of the association was Mrs. Mary Toms Ward, wife of NEWS Publisher Peter Ward. It was Mrs. Ward who first developed the idea for a community preschool group in her column, "Sierra Aside," then called together 50 families to push actual creation of the school.

New board members elected were Sterling T. Ripple and Mrs. Thomas R. Andrew, who will fill two of the three vacancies caused by the resignations of William A. Kinney, Jay Schmidt, and Mrs. Dane. A third new member will be elected in the near future, it was announced.

Bids were received and opened at the meeting for the association's proposed new room addition. Several local and out-of-town contractors submitted bids, and the low bid was tentatively approved pending the raising of sufficient funds to finance the project.

Candle-Lit Ceremony Joins Gina Riddle, Ted Velasquez

In a candle-lit ceremony at All Saints Episcopal Church, Pasadena, on Sunday afternoon Miss Mary-Madeleine Gina Riddle was joined in marriage with Theodore Velasquez, son of Mr. and Mrs. John Velasquez of this city.

Mr. Robert H. Riddle of Philadelphia came to Pasadena to give his daughter's hand in a marriage ceremony performed by the Rev. Joseph A. Erickson, Jr. James H. Shearer presided at the organ, and soloists were the Misses Kitty and Mary Alexander.

The bride chose a gown of white satin fashioned with a high neckline and long close-fitting sleeves, the bodice buttoned down the front and a skirt gathered to a fitted princess waistline. She carried a cascade arrangement of white roses and stephanotis, and her fingertip veil of bridal illusion fell from a Juliet cap of veiling.

Mrs. Richard Payne of Sierra Madre, a sister of the bridegroom, was matron of honor. She wore a ballerina gown of pale pink, with a lace jacket and a matching headband trimmed with dark pink spider mums on either side of the forehead. Her flowers were

dark pink spider mums arranged in a cascade. Bridesmaids were Eloise Velasquez, Pat Jones and Virginia Mahoney. They were gowned alike in pale green ballerina models, and matching jackets with three-quarter sleeves. Their

'FINE SUCCESS'

Thomas C. Pollgreen, master of Sierra Madre Lodge No. 408, F. and A. M., reports a large turnout made the Master Masons Buffet Supper on Sept. 2 a "fine success."

Dr. and Mrs. Stephen J. Dokos and daughter, Deborah, of Beverly Hills, were guests Saturday night for dinner and bridge at the home of Mr. and Mrs. J. L. Malone of 258 E. Sierra Madre boulevard.

headbands were trimmed with pale pink spider mums and they carried cascade arrangements of the same flowers.

Douglas W. McFadden of Pomona was best man for Mr. Velasquez, and his ushers included Richard R. Payne, Frank Jones, Bill Penny and Jack Storemont.

At the reception which followed at 515 S. Madre, Pasadena, the bride's chosen colors of pink and green dominated the decor.

Following their wedding trip, Mr. Velasquez and his bride will be at home to their friends at 38 S. Sunnyside, Sierra Madre.

Mrs. Velasquez attended Anderson-on-the-Hudson, and was graduated from PCC, where she was a member of the Cum Laude and Alpha Beta societies.

The bridegroom was also graduated from PCC, where he was pledged to Lancers, OMD and Zeta Gamma Phi. He also took a degree from the Art Center in Los Angeles, and before serving in the Army during World War II, taught art in the Pasadena schools.

He is presently practicing commercial art with a Los Angeles firm.

"Porkey Is Again on the Job" for the County Fair

Heralding the approach of the Silver Jubilee Anniversary of Los Angeles County Fair in Pomona, Sept. 12 to 28, "Porkey" is again a familiar sight along the highways of Southern California. Four pretty princesses of the fair's royal court of agriculture, Jeanette Moynier, Carol Engelhardt, top, Joye Jewell and Barbara Steele, give him a happy farewell as he starts on his goodwill mission.

Rev. Stranske To Speak At Bethany

L. G. Palin, youth director at Bethany Church, will preach again this Sunday, Sept. 14, in the absence of the Rev. Don B. Rood, pastor, now recuperating from his recent illness.

The evening service will feature music by Boy Scout Troop 5, with selections presented by Mickie Childers, Richard Johnson, Edwin Ower, Bobby Rhodes, Cavin Morgan and Bill Bowling.

The evening message will be brought by the Rev. Harvey Stranske, Sierra Madre missionary who has completed his furlough at home and will return soon to Africa as a missionary under the Sudan Interior Mission Board.

Following the services, a Pasadena divisional Christian Endeavor sing will be held at the Community Bible Church.

First Hearings Held on Two Zone Changes

First public hearings on two proposed zone changes were held August 28 with hardly any comments, either for or against them.

One of the proposed changes is the creation of a modified C-1 zone along the west portions of Sierra Madre boulevard. The other one is the change from R-1 to R-1L of large areas along the foothills of Sierra Madre.

Regarding the contemplated commercial zoning of the boulevard, Mrs. Herbert Brown of Pangborn Realty asked what would be done to solve the parking situation there.

The Planning Commissioners said provisions for parking were being included in the ordinance.

Fireworks, if any, on the proposed changes will come at the second (and last) public hearings during the Sept. 25th meeting of the planners.
